TAMSHUI AND PINGSHAN RECAPTURED: CHINESE FORCES STORM TSENGSHING

\$10,000 FOR BRIGADE WORK IN TERRITORIES

As the result of an appeal by Professor W. I. Gerrard, O.B.E., Assistant Commissioner of St. John Ambulance Brigade, the British Fund for Relief of Distress in China (Hongkong and South China Branch) has granted \$10,000 to the St. John Ambulance Brigade and Association for its work in connection with refugees in the New Territories.

In his letter to the Hon. Mr. M. K. Lo (Hon. Secretary of the Fund), Professor Gerrard pointed out that all the St. John Ambulance Brigades in the mainland are dealing with the huge numbers of refugees and the Medical Department of the Hongkong Government requested all possible assistance. New treatment centres are being established at Namtau, Shatankok and Shumchun, at the request of the Government Medical Department.

YELLOW RIVER FLOOD

Two Thousand Casualties

Shanghai, Dec. 18. The Yellow River, which during the summer caused such havoc to Chinese civilians and considerably held up the Japanese advance on Hankow, is once again pouring its flood waters across the Central Chinese plains, according to Chinese reports.

It is stated that autumn rains have caused the Yellow River waters to burst from the new channel they made for themselves this summer across open country, inundating some 300 square miles.

The waters are now reported to have flowed right into the Hwai River, which as a result has become seriously swollen.

No accurate figures are available regarding casualties, but Chinese reports place these at 2,000.—Reuter.

SUN KAI REACHED, 15 MILES N. OF CANTON

(FROM OUR OWN CORRESPONDENT)

Chungshan, December 18. Following the recapture of Tamshui and Pingshan, north of Bias Bay, the Chinese troops to-day stormed Tsengshing, a town on the north bank of the East River, which is now enveloped. The troops under Lieut.-Gen. Chang Jui-kwai are taking part in the drive on Tsengshing and have been ordered to retake it before Christmas. A Japanese report saying that this division was annihilated is absolutely without foundation.

Despite Japanese threat to push up the West River towards Shui-hing and Wuchow, the stalemate remained unbroken during the week-end. It is believed that the Japanese are waiting for more reinforcements from Formosa before starting a fresh venture, as they realize that their present strength is not sufficient to penetrate to Kwellin or Nanning.

BRITISH LEGION AND GERMANY

Real Friendship Seems Lost

London, Dec. 18.

All the British Legion's achievements in trying to establish real friendship with German ex-Servicemen seem to have been lost, declared Sir Frederick Maurice, in a speech at Durham.

Sir Frederick Maurice alluded to the Legion's efforts of many years to create good understanding with Germany. Distinguished delegations of German ex-Servicemen were received with the utmost friendship and cordiality in Britain. Representatives of the British Legion had frequently been to Germany.

Recently there had been natural expressions of indignation at the brutal treatment of Jews in Germany. These were answered in Germany by violent attacks on British soldiers not only those serving under circumstances of exceptional difficulty in Palestine but even on soldiers serving in the South African war.

"It is useless going to Germany on missions of appeasement when the German press and towns are placarded with vilifications of our comrades," declared Sir Frederick adding it was our great hope to be able to return to our task of appeasement to recover some of the path we lost.—Reuter.

Another report stated, however, that some of the crack units in Kwangtung have been sent to the northwest in connection with present preparations to attack Lanchow and Sian, the object being the severance of Sino-Soviet land communication.

An American dispatch stated that some of the troops operating in Kwangtung were sent from "Manchukuo" following the dismissal of Marshal Vasily Blucher from his post as Commander-in-Chief of the Soviet Far Eastern forces.

Gen. Pai Hsueh-hsi, the Kwangtung leader, is now in charge of military operations in South China. He is reported to be in Shui-kwan over the week-end, having arrived there from Kwellin. Three divisions of the Fourth Army, six divisions from Gen. Hsieh Yoh and some Kwangsi units are under Gen. Pai's command in the present counter-offensive.

One Chinese report stated that the Chinese troops reached Sun Kai on the Canton-Hankow Railway about 15 miles north of Canton. The proximity of the Chinese troops to Canton was indicated by the frequent bombing of Chinese troop movements near Tsengshing and Tsungshua.

IMPORTANT TOWNS RECAPTURED

Shui-kwan, Kwangtung, Dec. 18. Tamshui 10 miles inland from Bias Bay, and 30 miles south of Wai-chow, and Pingshan, 27 miles southeast of Wai-chow, were recaptured by the Chinese last Friday.

These are the third and fourth important towns in the East River area retaken by the Chinese during the last fortnight. Wai-chow, 19 miles north of Tamshui, and Pokio on the north bank of the East River 11 miles northwest of Wai-chow, were re-occupied by the Chinese earlier in the month.

Pursuing the retreating Japanese from Pokio, a Chinese unit has occupied Hinkong, 16 miles northwest of Pokio, and is now pushing towards Lungwah and Muifayuen, to the north. Fierce fighting is said to be raging around those places.

Foreboding a further southward drive, Japanese reinforcements are reported to be arriving in the Kowkong area in large numbers from Hobow near Samshui and the surrounding areas.—Central News.

"LAST QUARTER'S" RACE TIPS

IN SATURDAY'S ISSUE of the "Daily Press," our racing correspondent, "Last Quarter" tipped five winners out of eight in the final Race Meeting of the year. He also correctly forecasted 11 place ponies.

The first race of the day, the Hongkong Autumn Champions, resulted as tipped by "Last Quarter." Silkylight winning, with Confusion Bay and Bear Claw filling the places.

Notes by "Last Quarter" on the Annual Race Meeting will appear from time to time in our Sports Pages.

BRITAIN STRONGEST INFLUENCE BEHIND CHIANG REGIME

Tokyo, December 18.

Britain is described as the strongest foreign influence behind the Chiang Kai-shek regime by the newspaper, "Asahi Shimbun," commenting upon the proposed American loan of \$25,000,000 to China and the reported impending British loan.

"It is problematical," says the paper, "whether America is ready to draw chestnuts out of the fire for Britain."

"The proposed loans serve only the ill-conceived purpose of stimulating Chiang Kai-shek's so-called protracted warfare against Japan by extending him assistance which is more moral than material."

The "Asahi Shimbun" accepts the U.S. move as a demonstration against Japan in connection with the demand for retention of the open door in China.—Reuter.

\$12,261 RAISED AT CHARITY SHOW

Shanghai, Dec. 17.

The sum of \$12,261, raised at a charity performance of the film "Alexander's Ragtime Band" on December 1, will be distributed among children's establishments in Shanghai by Lady Clark-Kerr, wife of the British Ambassador, who sponsored the showing.

This information is contained in a statement of accounts rendered by Lady Kerr herself yesterday.

In the statement, she declares: "I am happy to be able to inform you that after payment of \$2,743.50 for hire of the Grand Theatre, the balance of \$12,261 remains for distribution among homes and camps for Chinese refugees children."

"I shall make it my duty to distribute this money myself."

The showing, which was attended by approximately 2,000 persons, was one of the most successful single benefit showings ever held in Shanghai.—Reuter.

JEWS' DAY OF PROTEST

Voluntary Levy For Stranded

London, Dec. 18.

An emergency conference of the Jewish community of Britain has decided to proclaim Sunday, January 29, as a day of public protest, meditation and self-denial for every Jew and Jewess.

All Jews have also been called for a voluntary levy of at least the cost of a day's food to provide money for children stranded in the no-man's land on the German-Polish frontier.—Reuter.

WICKED FOLLY

London, Dec. 18.

The Archbishop of York and the Bishops of Bradford, Chichester and Bristol, in a letter to the chairman of the Jewish Board of Deputies, declare that they are convinced that any anti-Semitic movement in Britain must be hindered by the sense of justice, the humour and the kindness of the people.

The letter says that the vast majority of Christian English people feel that anti-Semitism remains a wicked folly, and assures Jewish fellow-countrymen of the fullest appreciation of the contribution they have made to national life.—Reuter.

Hutton Struck On Head By Fast Ball: Suffers From Slight Concussion

Johannesburg, December 18.

Leonard Hutton, the young England and Yorkshire batsman, was struck on the head by a ball from a fast bowler when playing for the M.C.C. against Transvaal yesterday. The ball hit the wicket so Hutton was bowled out.

Hutton was rendered unconscious and was taken to hospital where it was announced that he was suffering from slight concussion.

LEONARD HUTTON

Transvaal scored 423 for eight wickets declared Viljoen (97) and Langton (58) added 130 runs for the seventh wicket.

Wilkinson took four wickets for 78 and Kenneth Farnes four for 93.

At the close of play the M.C.C. had scored 238 for six wickets. Leslie Ames was undefeated with 104. Edrich made 38, Paynter 5, W. R. Hammond 24, N. W. D. Yardley 13 and Bartlett 28.

As the Transvaal team will probably provide seven or eight players for the first Test, the match is regarded as a trial.

It is reported that Hutton is in excellent condition and is no longer suffering from concussion.—Reuter.

GOLF TITLE AT FANLING

LISSAMAN BEATS KEY IN FINAL

A. E. Lissaman, who won the Colony golf title in 1936, yesterday won the championship of the Royal Hongkong Golf Club at Fanling when he beat W. J. S. Key by 8 and 6 in the final.

Lissaman won the first hole and Key the second. Three halves followed. Lissaman, however, was three up at the turn and never again lost the lead and was three up at fifteen.

He lost the first hole of the afternoon but then won four holes in a row to make the match safe and finally won by 8 and 6.

Lissaman's two rounds were 77 and 76. His game was very accurate and he was hitting the ball great distances with no visible effort.

LIMA HOPES SPANISH WAR WILL END

Lima, Dec. 18.

The Cuban plan favouring mediation by the American Republics in Spain has been rejected from the agenda of the Commission of the Pan-American Conference.

The Commission, which is composed of the presidents of various delegations, will probably favour the proposal submitted by Argentina, Uruguay and Chile, which is limited to expressing a desire in general terms that the two sides in Spain should end the struggle.

The proposed declaration, which has obtained the assent of the principal delegations, cannot, it is claimed, hurt the susceptibilities of either Burgos or Barcelona.—Reuter.

Japan Spending More In Further Penetration

Linhien, Kwangtung, December 18.

"IT IS EASIER FOR JAPAN to enter Kwangtung Province than to get out," declared General Wu Te-chen, Governor of Kwangtung. In an interview with the "Central News" on the effect of the removal of government machinery from Canton to the interior of the province, the Japanese militarists," General Wu said, "have now found this out to their sorrow, and that is why they have announced their war budget for the coming year as amounting to six billion yen, but they will find they have to spend much more as they go further inland."

General Wu continued: "China has had a very difficult time, and her predicament cannot be worse than it is now. But we are confident we will overcome our difficulties and emerge as a stronger and better nation, because we are going inland to train ourselves to endure the hardships and difficulties in the same spirit that enabled our forefathers to lay the foundations of our nation."

"Circumstances now force us to develop our natural resources to the fullest extent so as to build up a strong and modern nation, which will be able to fight for its own existence without having to depend mainly on supplies from abroad when blockaded. The invasion of our territory by the enemy has instilled a fighting spirit in us which will spur us on to rebuild a new nation."

BACKBONE OF NATION

"During recent years we have modernized cities, but in so doing we have paid too much attention to the welfare of the minority, the city dwellers, forgetting the fact that the backbone of the nation, the rural population, has been denied the enjoyment of modern facilities and comforts of modern science."

CHINESE CREW LEAVE SHIP

London, Dec. 17.

The Chinese crew of the ship "Wyvern," in the Tyne, yesterday left the vessel, which was recently sold to the Japanese Government, when they found she was going to Japan, with a cargo of scrap iron, to be broken up.

An Indian crew was signed on but, according to the "Daily Herald," representatives of the China Campaign Committee last night approached the crew with a telegram from the India League in London appealing to them not to man the vessel.—Reuter.

Japanese Bar Food From Tientsin Concessions

Tientsin, December 18.

Japanese military and Chinese police took rigorous precautions yesterday morning, searching all vehicles and pedestrians entering the British and French Concessions and delaying businessmen on their way to office.

Rickshaws which were mostly parked outside the Concessions during the night were forbidden to enter, while gardeners bringing in vegetables were similarly stopped at the Concessions' boundaries.

Residents of the former German Concession are also experiencing difficulty in procuring foodstuffs, as most markets are situated in the other two Concessions.

Residents fear that their supplies of vegetables and meat will

be cut off, though fair quantities of flour and rice are stocked in godowns in the Concessions, which are independent of water and lighting facilities.—Reuter.

THE NAKED TRUTH

Shanghai, Dec. 17.

As if inspired by explaining the Tientsin situation, the Japanese newspaper, "Shanghai Nippo," declared yesterday:

"As the opportune time has not yet arrived, and as the 'provisional government' has not enough power to solve the problem of the foreign Settlements in Tientsin, the authorities have decided to liquidate the Settlements gradually by effective application of regulations, already adopted to control foreign exchange funds, by evacuating Japanese and by sundry other means to lessen the prosperity of the Settlements."—Reuter.

HITLER RECEIVES CHINESE ENVOY

Berlin, Dec. 17.

Hitler yesterday afternoon received the new Chinese Ambassador, to Germany, Mr. Chen Chieh, who presented his credentials.

Mr. Chen Chieh earlier had been requested to remove certain passages referring to Japan from his address to Hitler.

Hitler's reception of the Ambassador removes a Chinese complaint of several weeks standing, as previously the Fuehrer had refused to see him.—Reuter.

SILKYLIGHT SHATTERS RECORD TO WIN THE CHAMPIONS

Mr. C. Encarnacao Leads In Jockey's List

SALVAGE MASTER WINS "SUBS." EVENT

THE FINAL RACE MEETING of the year was featured by the record-breaking run of Silkylight, ridden by Mr. R. B. Moller, in the Hongkong Autumn Champions in the excellent time of 2:21.2, the quarters being clocked at 0:28.4; 0:57.1; 1:26.1; 1:54.2; 2:21.2.

THE SUB-GRIFFINS CHAMPIONS was won by Mr. Wong Sui-nan's Salvage Master, with Mr. B. L. Tao up, and as he led his pony in after the race Mr. T. H. G. Brayfield was loudly cheered. The other big event on the programme, the Queensland Autumn Champions, was won by Lucky Lad, the successful jockey being Mr. V. V. Needa.

Mr. C. Encarnacao won the Tardy Handicap on Lucky to give him the top place in the jockey's table for the year with 25 wins, 19 seconds and 17 thirds. Next in order is Mr. A. W. Raymond with 24 wins, 17 seconds, 12 thirds.

HONGKONG AUTUMN CHAMPION
Silkylight, with Mr. R. B. Moller on the saddle, won the Champions in great style, finishing many lengths ahead of Confusion Bay with Bear Claw (Mr. H. W. Raymond) third. The only other entry was Expression Time, ridden by Mr. V. V. Needa.

Silkylight had the race in hand from the start and finished in the fine time of 2:21.2 to set up a new record for this event.

LAGGARDS HANDICAP
Ranger (Mr. A. W. Raymond) set the pace for this race but could not keep it up. She was followed by A Great Time (Mr. V. V. Needa) and Able Amazon (Mr. S. W. Pan) and when coming into the home stretch the latter put on a great spurt and passed everything before him to win by four lengths.

TARDY HANDICAP
This race proved a clean sweep for the Eu Tong Sen stable in that all its entries placed, namely Lucky (Mr. C. Encarnacao), Rose Jane (Mr. W. C. Poy) and Rose Queen (Mr. S. W. Pan).

Jungle Jim (Mr. L. Wade) set the pace after a run away start but could not keep it up. Mr. Encarnacao rode a clever race, showing excellent judgment in the last quarter.

QUEENSLAND AUTUMN HANDICAP
Mr. Victor Needa rode Lucky Lad in grand style to win the classic for Australian ponies. Courting Eve, with Mr. H. C. Pih, was greatly fancied but failed to place.

Lancashire Chips was in the lead for the greater part of the race but Lucky Lad had too strong a finish and easily overtook him. Courting Eve looked promising but faded out of the picture after passing the distance post.

DILATORY HANDICAP
Mr. A. W. Raymond, on Double Chance, won the Dilatory Handicap by a head for Plain View (Mr. H. C. Pih) and Flybynight (Mr. S. C. Liang).

Tiny Star led the field till the Rock but thereafter figured amongst the tail-enders. Plain View challenged strongly from the Distance Post onwards but Double Chance was too good.

HONGKONG SUB-GRIFFINS AUTUMN CHAMPIONS
Salvage Master, ridden by Mr. B. L. Tao, scored a very popular win in the classic event for sub-griffins in the classic event for sub-griffins. Piet Hein (Mr. H. C. Pih) placing second and National Guard (Mr. A. W. Raymond) third.

Mr. Tao nursed his mount very carefully and did not attempt to take the lead until the field came round the bend for the second time, into the home stretch.

LAST CHANCE HANDICAP
Mr. S. L. Yuen scored another of his surprise wins when he brought Discovery Bay first past the post in the penultimate race of the day. A Great Time, ridden by Mr. V. V. Needa, occupied second place, one-and-a-half lengths behind with Strathcarrick (Mr. C. L. Gregory) third.

The field was bunched together for the most part and did not string out till the Distance Post when Discovery Bay put on a fine finishing burst. A Great Time followed so closely that it looked like a dead-heat but with some 70 yards to go the Bay candidate called on all his reserve and managed to stave off defeat.

FINALE HANDICAP
The last race of the day provided the best finish of all, only a neck separating Tabby Cat (Mr. H. C. Pih) and Mac's Adventure (Mr. C. Encarnacao) with Wenning (Mr. L. Wade) a length behind.

Ten starters accepted for this event and the field was sent off together. Stymlie (Mr. A. W. Raymond) tried to make a runaway race of it but after figuring amongst the first three ponies till the Village Bend it faded out of the picture to let Tabby Cat and Mac's Adventure come up from the middle to occupy first and second places respectively.

Wenning had a big following but it never looked like placing till the last hundred yards when Mr. Wade urged his mount on to take third place, but only just.

CHARITY MATCH AT C. HILL

Federation Beat Association

LEE WAI-TONG'S TWO GOALS

A charity football match in aid of the dependants of the late Chak Shiu-wing, of the Kiti Chee Football Club, was played at Caroline Hill yesterday afternoon when a crowd of approximately 4,000 saw the Hongkong Chinese Amateur Athletic Federation defeat the Hongkong Football Association by four goals to nil after leading 1-0 at half-time. A raffle for the ball realised over \$60 and the winning ticket was No. 467.

Grogan failed to put in an appearance and his place on the right wing in the Association team was filled by Thorburn, of the Navy. Hussain, of St. Joseph's, turned out at right back in place of Watson, who is on the injured list, and gave a very good performance.

The inimitable Lee Wai-tong led the Federation attack and his clever display and good goals somewhat compensated for a game which did not reach the high standard that might have been expected.

The Federation combined well and the work of Lee, Fung King-cheong and Lai Shiu-wing was pretty to watch. However, Lai struck a patch of bad luck and narrowly missed scoring on several occasions.

On the other hand, combination was sorely lacking in the Association team, especially among the forwards where Fred Fowler, as leader, practically played a lone game. Leonard, at inside-right, put in some useful work and assisted the defence time and again.

Dixon, the Association pivot, worked hard throughout and received fine support from Honeywell and E. Strange. Hussain was as alert as ever.

Mak Shiu-hon and Lee Tin-sang was safe pair of backs while Pau Ka-ping, in between the sticks, gave a fine display.

In the first half, the Federation took the lead through Tang Kwong-sum after Lai Shiu-wing and Lee Wai-tong had missed. The Chinese went further ahead in the second half through Lee Wai-tong who scored one of his typical goals.

Towards the end Hau Ching-to and Lee Wai-tong each netted once. The Association citadel underwent many narrow escapes, shots from Lai and Lee striking either the upright or the crossbar.

The teams were:—
H. K. O. A. F.:—Pau Ka-ping; Mak Shiu-hon and Lee Tin-sang; Soong Ling-sing, Lau Hing-choy and Hau King-sing; Tang Kwong-sum, Fung King-cheong, Lee Wai-tong, Lai Shiu-wing and Hau Ching-to.

H. K. F. A.:—McAllister, Hussain and Sheehan; Honeywell, Dixon and E. Strange; Thorburn, Leonard, Fowler, Hunt and Bickford. Mr. D. Kosstek was the referee.

Hau Ching-to drew first blood for the Chinese with a running shot at goal from the wing. After the interval, Chang Ping-to increased the lead. Howlett reduced arrears following a scrimmage in front of the Chinese goal, but Hau Ching-to added Eastern's third goal shortly before full time.

Blackburn had a trying time in keeping the Chinese away. He was partnered by Chan Kong-yuk and the two did well in keeping the score down.

SAGA OF THE JUNGLE

Filmed in the heart of the Malayan jungle, about 400 miles north of Singapore, "Boo-oo," saga of the jungle featuring Colin Tapley and Jayne Regan, now at the Queen's and Alhambra Theatres, is exciting story of the experiences of a young English explorer who enters the "green inferno" to redeem his father's honour.

His father, also an explorer of note, has written a book about a white tiger, who is worshipped as a god by the superstitious natives. When his fellow-scientists denounce him as a fraud for this story, Tapley leaves England for the trackless jungle in order to capture the white tiger and prove to his detractors that such an animal actually exists.

MEDICAL COMMITTEE APPOINTED

His Excellency the Governor has appointed the following members as the Medical Committee, Tung Wah Hospitals, to act as the executive authority in all matters relating to the medical administration of the Tung Wah Hospitals:

The Hon. Director of Medical Services (Chairman, ex-officio); Hon. Mr. M.K. Lo and Hon. Dr. Li Shu-fan (to hold office for three years); Mr. Chau Shiu-ng, Mr. Lo Min-nung and Mr. Yeung Wing-hong (to hold office during their terms of office as Directors of the Tung Wah Hospital), the Visiting Medical Officer, Chinese hospitals and dispensaries, the Medical Superintendent, Tung Wah Eastern Hospital, and the Medical Superintendent, Kwong Wah Hospital (ex-officio).

UNWHOLESOME POULTRY

A warning against the purchase of poultry from other than well-known dealers was given at the Kowloon Court on Saturday when a man and a woman were charged with possession of poultry not fit for human consumption.

Mr. E. Himsforth imposed a fine of \$300 or four months' imprisonment on the man, and \$100 or two months' on the woman.

Sanitary Inspector A.C. Sinton stated that it was believed the man and woman were members of a gang engaged in the trade of unwholesome poultry. In a raid on a house in Reclamation Street, 162 lbs of unwholesome chicken and duck had been seized.

EVERYBODY SING

A musical that will appeal to opera lovers opened at the King's Theatre in "Everybody Sing."

Allan Jones and Judy Garland, as the singing chief and the swinging school girl, were outstanding in their singing, dancing and acting. No less enthusiastic was the audience in appreciation of the comedy work of Fanny Brice, Reginald Owen, Billie Burke, Reginald Gardiner and Lynne Carver.

One of the high spots of the show will be appreciated by Miss Brice's army of fans, when she does one of her burlesque songs and dances to the tune of "Dainty, Dainty Me."

£17,000 DEBTS AND NO ASSETS

Sir B. Kembell-Cook Questioned

Sir Basil Kembell-Cook, of Hill-street, Mayfair, who stated in the London Bankruptcy Court recently that for several years his salary was £10,000 a year, agreed that at one time during that period he owed £22,800.

He attended before Mr. Deputy-Registrar Mellor for his public examination, when ranking liabilities of £17,186, and no available assets, were disclosed.

Replying to Mr. H. H. Gaine, Official Receiver, Sir Basil said that from 1900 until 1919 he was a civil servant. He was then seconded to the Reparations Commission. In January, 1927, he was appointed managing director of a company at a salary, for the first two years, of £8,000 a year, and afterwards at £10,000 a year.

He resigned the post in June, 1935, and became associated with other persons in a syndicate which held exclusive permission to explore for gold in British Guiana.

GOLD VENTURES

Sir Basil attributed his failure to his inability to realise his expectations from his gold ventures. The Official Receiver submitted that the failure was due to Sir Basil having lived beyond his means.

Sir Basil agreed that he lost £550 over the purchase of a film called "The Outsider."

The debtor agreed that his deficiency account showed that since July, 1935, he had paid £2,129 in alimony; interest on loans had amounted to £2,500; depreciation of interest in gold mines, £9,900; and bad debts, amounted to £3,818.

Mr. Gaine, when you were managing director of a certain company you had over £81,000 in 8 years?—More than that.

Yet in 1932 and in 1933 you were going to money-lenders, and in 1935 you had liabilities of £22,800?

—Yes.

The examination was closed.

REGULATION ABROGATED

It is notified that information has been received from His Imperial Japanese Majesty's Consul-General, Hongkong, to the effect that the regulations which designated Hongkong as an epidemic district of cholera have been abrogated.

WAH TAK SCHOOL CEREMONY

The Wah Tak School of Commerce, Kowloon, which was established last year, held its first annual Prize-giving Day at the Majestic Theatre yesterday morning.

A large number of students and their friends were present at the function, and were entertained with many musical items.

The prizes were distributed to the winners by Mr. Lo Man-ho.

FIREWORKS ON NEW YEAR'S EVE

It is notified that His Excellency the Governor has given permission for fireworks to be let off in a lawful manner within the Colony between 11.45 p.m. on December 31, 1938, and 12.15 a.m. on January 1, 1939.

KIDNAPPED BY JAPANESE?

A strange incident near Lam Tim Island, was reported on Saturday by Kwok Tim-kam, master of a Hongkong-licensed fishing junk, who related that his junk had been boarded by a party from a Japanese destroyer.

His licence was taken away and his son ordered to follow the destroyer in a sampan. Both the destroyer and the sampan eventually disappeared from sight, but the son has not since returned. No attempt was made to damage or wreck the junk.

WOMEN'S PAGE

Nicknames For M.P.s

Rowdy and happy at times as a gang of school-children are "Honourable Members" of the House of Commons. This similarity to school-days even goes as far as the bestowal of apt nicknames.

Miss Megan Lloyd George and Miss Thelma Cazalet are the joint owners of Westminster's only double-barrelled nickname — "The Flappers." Though political opponents, they are old school friends. Socialist Ellen Wilkinson is called "Red Biddy" because of her politics and her hair. Labour Party Leader George Lansbury is "Uncle George." P. J. Noel Baker is "The Professor" and the apparent gloom of David Adams has won him the title "The Undertaker." The Duchess of Atholl is "Red Katie." Arthur Hopa is known to his friends as "The Stationmaster," a tribute to the fact that he held a railwayman's job at Westminster Station during the 1928 railway strike.

Among Ministers, Sir Kingsley Wood is known as "Annie," a name given him by Ellen Wilkinson, and Defence Minister Sir Thomas Inskip's signature was responsible for "Tinskip." W. S. Morrison, fond of Shakespeare, is called "Shakes."

Foreign Under-Secretary R. A. Butler is "Rab." Lord Cranborne, his predecessor at the Foreign Office, brought his name of "Bob-bly" from school with him. Sir Henry Fildes' fund of stories and twinkling eyes soon secured him the name "Mr. Punch."

Socialist, George Griffiths is known as "Donald Duck," as he is

C.B.A. MASQUERADE CARNIVAL DANCE

The Central British Association held its annual Masquerade Carnival dance at the Peninsula Hotel Rose Room on Friday night. About three hundred dancers attended and there were many attractive and striking costumes.

Judging proved a difficult task and the final selection was:

Best dressed lady—Miss Diana Waugh as a Portuguese peasant.

Best dressed gent—Mr. Montague—Impersonating a demi-monde.

Most original lady—Miss Ruffo as Topsy.

Most original gent—Mr. Chester Lampart as a "Bookie."

The "Spot Dance" was won by Miss Joyce Nash, partnered by Geoffrey Arnold.

The Waltz Competition was won, after a very keenly contested event, by Miss P. Eccleshall and Peter Randolph, both well-known in local dancing circles.

Round About

Six o'clock in the evening the buses of our city are crowded with people returning home after a busy day. With a slide which terminates in an abrupt halt the buses come to a stopping place. Passengers push, step on each others' toes and lunge in and out the narrow doorway of the vehicle. Once inside they dig in pockets or handbags, for the fare, and in so doing ram sharp elbows in a fellow passengers' ribs if he is standing, or punch him in the head, if he is seated.

Those passengers seated wearing hats play a game of "now you can see, now you cannot," all due to the people standing who knock their bonnets at each swerve or lurch of the bus.

When a seat is vacated, the hips of two other passengers meet, both trying to reach the available seat first.

The fare-collector wiggles and worms his way up and down the narrow and packed aisle with a perpetual bent neck as he is constantly on the lookout for the passengers.

The bus driver enjoys his small exclusive corner in the front and provides constant music with his horn, as he goes around and in and out of the congested vehicle and unheeding pedestrians.

Such is the situation an elderly lady found herself in the other evening as she rode homeward on the bus, her arms full of Christmas packages. One in particular she attempted to shelter from the at-

NEXT WEEK'S WEDDING

BIG SOCIETY AFFAIR

Parking space will be formed on the west side of Garden Road and Murray Parade Ground.

tacking, pushing and shoving.

Finally she secured a seat and rested the packages in her lap. An overgrown, ill-mannered young man had spied the seat, and in his attempt to be the first arrival combined with the lurch of the bus at that moment, he was too late and landed in the lady's lap. A cry of horror issued from the female passenger as the young man rose from his undignified position in her lap, but the damage had been done.

Soft mashed and melting ice cream oozed from the package down the black coat of the elderly lady, the impolite blade was embarrassed, but only due to the white cream which smeared the seat of his pants.

JURY RETURN VERDICT OF MURDER

Body Found At Rifle Ranges

An inquiry into the death of Lui Sam, 30 years of age, who was found dead, the body bound with rope, in the vicinity of the Kowloon City Rifle Ranges on August 27, was concluded at the Kowloon Court on Saturday before Mr. Q.A.A. MacLayden, sitting as Coroner, and a jury comprising Messrs. G. Castle (Foreman), Chow Boon-chew and Derek Nickson, when a verdict of murder by person or persons unknown was returned.

The jury came to the conclusion that deceased had died from asphyxiation following strangulation at some time between 8 p.m. on August 26, when he was last seen alive by a friend, and the early afternoon of August 27, when the body was found by a boy near Nga Tsin Wai village. One of the principal witnesses at the inquiry, a man named Lam Chung tin, has yet to give evidence, but he left his home in Nga Tsin Wai village some three weeks ago and has not been located. It may be recalled that another principal witness, a brother of the deceased, has in his evidence accused Lam of being responsible for Lui Sam's death.

The Coroner directed the jury to base their verdict only on such evidence as had already been given.

Man Forges Macao Sweep Ticket

An ingenious trick which, however, was not quite clever enough, was described before Mr. R. Edwards at Central Magistracy on Saturday when Wong Kwan-yu, 26, houseboy, was charged before him with demanding with intent to defraud, the sum of \$3,682 from the Macao Jockey Club by a forged document.

Detective-Sergeant J. Headridge, prosecuting, said that the second prize for the cash sweep on the Lam Ching Cup, run at the Macao race meeting on December 12, was won by ticket No. 00944, the value of the prize being \$3,682.

PRESENTED FORGED TICKET

On December 15 the holder of the ticket presented his ticket at the Club's premises in the morning and received his money. In the afternoon Wong tendered a ticket bearing the same number. He was detained and on investigation it was found that the number had been altered, the original figures being 00974.

Sentence of six months' hard labour was passed.

In addition, there are portraits, figure subjects and still life. There are 100 pictures, all painted within the last 12 months or so. Forty per cent. of the gross income derived from the exhibition is to be donated to the British Fund for the Relief of Distress in China.

Duff was the best player on view, but all put over many good shots, and, though brief, the match was quite enjoyable.

The Hon. Mr. M.K. Lo presented the prizes won during the year, and, as Secretary of the British Fund for the Relief of Distress in China, was handed a cheque for \$500 by Mr. Wong Kwok-fong, who said that represented the amount that would normally have appropriated by the Club committee for their annual "At Home" which this year was dispensed with on account of the unfortunate plight brought on millions of Chinese by the war with Japan.

Terrorists Have Had Last Fling

Haifa, Dec. 18. After almost daily outrages for the past two weeks, Haifa has enjoyed nearly three days' tranquillity, supporting the recent authoritative statement that the attacks were the last fling of the terrorists who were being slowly rounded up.

Terrorist activities in the last fortnight here resulted in three Arabs and four Jews being killed.

Notices were posted in the mosques yesterday urging Arabs to discontinue the boycott of roads in view of the forthcoming London Conference. The result is that Arabs are now applying for permits which the authorities recently decreed must be obtained before vehicles could use the roads.—Reuter.

MR. CHAMBERLAIN FOR ROME

WHILE the situation created between Italy and France with regard to Tunis continues to arouse misgivings, everything is being made ready for Mr. Neville Chamberlain, the Prime Minister, and Lord Halifax, Secretary of State for Foreign Affairs, to pay their contemplated visit to Rome during the Parliamentary recess. The two statesmen will not be accompanied by their wives.

According to present arrangements, the visit is to be devoted exclusively to political subjects and, for this reason, the British Ministers will be accompanied by their staff and advisers only.

IT IS REPORTED from the Vatican that His Holiness the Pope is looking forward with pleasure to the visit of Mr. Chamberlain and Viscount Halifax. That the visitors will meet the Pope at the Vatican is a foregone conclusion, because Mr. William Godfrey's recent appointment as Apostolic Delegate to London establishes diplomatic relations between Great Britain and the Holy See. Mr. Godfrey will be consecrated Titular Bishop of Chios on December 21.

THE PRIME MINISTER has set before himself a perfectly definite policy which he is carrying out as and when circumstances permit. Like his distinguished half-brother, Sir Austin Chamberlain, before him, Mr. Neville Chamberlain believes in the value of personal contacts.

THE ANGLICAN Agreement is manifestly the beginning of a new era as well as the closing of an old one in the relations between Great Britain and Italy; and the Prime Minister and the Foreign Secretary are going to Rome to inaugurate it with Signor Benito Mussolini in person.

THERE WAS A TIME when all the principal statesmen of Europe met regularly at Geneva. When Germany withdrew from the League of Nations, the others continued to meet; and misunderstandings in Europe sensibly became greater with every meeting. Until quite recently, an Italian delegation continued to attend the meetings of the League, even though Signor Mussolini himself did not. Then the Italians followed the example of the Germans and withdrew. And so the process of division and alienation became even more marked.

IT HAS BEEN Mr. Chamberlain's great service in foreign policy that he has checked the process. It may even be said that he had reversed it. He has established personal contacts with both Herr Adolf Hitler and Signor Mussolini, without diminishing by one HONOUR the title of the cardinal, personal and political relations of his predecessors with the Prime and Foreign Ministers of France, and without, in spite of the charges of his critics, sacrificing British honour or interests.

GREAT BRITAIN has to live side by side with these countries, and means to do so on a basis of equality and co-operation.

WHEN THE BRITISH Ministers reach Rome there will be much to discuss—notably Spain, the Mediterranean, the position of France, the question of propaganda among the Mohammedans, colonial collaboration and, possibly, the Far East. Spain is certainly a case where the views of Great Britain and Italy are not identical; but that it all the more reason for talking them over. And if the talks have a successful outcome, as they most likely will have, they will undoubtedly not be of benefit to Great Britain and Italy alone.

A batch of 150 Chinese deported by the Siamese Government arrived in Hongkong on Saturday, en route to the interior.

ANNUAL XMAS CONCERT

Fine Programme At University

The 11th annual Christmas Concert of the Hongkong University Christian Association in the Great Hall of the University last night attracted an attendance of several hundred people, among them His Excellency the Governor and Lady Northcote.

Mr. Rupert Baldwin, A.T.C.L., conducted the choir of 39 persons through 22 carols and Christmas songs and yielded but once to the insistent hand-clapping of an appreciative audience when he permitted an encore of the 15th Century hymn, "Lullay, my liking," the music to which is G. Sampson's. Miss Caroline Braga, F.T.C.L., ably assisted at the piano.

Prof. L. T. Ride, the only soloist, gave an able rendering of the hymn, "Mighty Lord and King all glorious." The complete choir at last night's recital consisted of:

The Misses Buckland and Chiu, Yang and Collins, Smailey, Baxter, Paton, Griffin, Hall, Bieheno, Gray, Shilton and Corney, Mesdames Heywood, Stevenson, Bishop, Baldwin, Price and Alderton, Dr. Ride, Messrs. Boxer, Wiggins, Stevenson, Hong Choy, Matthews, Huang, Lim, Heywood, Price, Bishop, Gwyther, Moore, Broadbridge and Davies, C. Dodson, D. Baldwin, F. Lapsley, C. Wedlock, and C. Griffiths.

A collection was taken in aid of the Society for the Protection of Children, the Hongkong School for Deaf Children, and the Street Sweepers' Shelter Society.

£450,000 Credit For Chinese Government

London, December 18.

The "Sunday Times" diplomatic correspondent understands that examination of the proposals for assistance to China in connection with export credits has now reached a more definite stage, and says that it seems fairly certain that, as a start, a credit of about £450,000 sterling will be made available for the Chinese Government for the purchase of capital goods, chiefly lorries, under the Bill now passing through Parliament allotting £10,000,000 for export credits to be granted in the light of political as well as commercial considerations.

Taken in conjunction with the credit of £5,000,000 extended to a Chinese group by an American Bank, this should enable China to develop trade with western countries through Burma.—Reuter.

Four million out of the credit of ten million pounds given by London to Czechoslovakia, according to a semi-official statement, are to be considered at present, while certain stipulations are to be made with regard to the use of the remaining six millions.

In January, the negotiations are to be continued in London for the war loan of £20,000,000 asked for by Czechoslovakia.—Transocean.

Hello & Goodbye

—BY A.W. HYER—

Everyone has the Santa Claus mania, not only on land but people travelling on the water as well.

A youngster embarking on a ship recently was worried and inquired if Santa Claus would be able to find her on the ship at sea?

All the passengers travelling will indeed find Santa Claus travels to sea as well as down the chimney. Every vessel has been well prepared with the beverages and vitals of a Christmas board, Christmas trees and amusing gift gadgets for the passengers.

Though the passenger lists have been short the past week, many people are travelling to get away from the joyous Christmas hysteria. But we think it is really no use; they will have to take a rest cure during the month of January just like the rest of us landlubbers.

S.S. Petrovski

THIS SMALL steamer will arrive in the harbour on Tuesday morning. It is of interest as she is the first Russian vessel to call at our port this year. Passenger traffic is not the reason for her visit. She will load several thousand tons of tea and proceed to Vladivostok.

Air France

THERE WAS MUCH excitement at Kai Tak on Thursday at 12.30 p.m., when Captain Dufour landed the Ville de Beyrouth from Hanou. The general report was that a passenger had taken very ill on the trip, therefore, the ambulance was standing by waiting to rush the patient from the plane to the hospital.

Such was not the case. Mrs. V. Sanders was at the airport to meet her daughter, Miss Enid Sanders, a passenger on the plane who had been suffering the past ten days with a bad appendicitis. The ambulance was for this young lady who is now in the Kowloon Hospital, feeling much better we hope.

Mr. W. J. Crosswell, a very close-mouthed American, refused to inform us of his business, arrived from Bangkok. A short visit in the Colony and he heads for home in the United States.

S.S. Scharnhorst

AWAY FOR EUROPE and the home port called the German boat on Thursday evening at six o'clock.

Very quietly and with little ado, Mr. S. W. G. Lehman, the big good looking bachelor of the Standard Vacuum Oil Co., stepped on board and sailed for Genoa. Through Paris and London to New York he goes on a six months vacation. In 1939, he says, he will be coming back and single.

Homeward bound for the holidays were Mr. A. E. Prats and Mr. Felipe Elhaga, of the Colonial Investment Co. Both these gentlemen were in a big rush, having only decided two hours before, that Manila would be a fine place for Christmas.

Mr. and Mrs. T. K. King and Miss M. T. King, their daughter, will spend the holidays in Singapore and Mr. C. Banje was in a dither with the two amahs who are travelling down to the Philippine city where they join the rest of the family for festive days.

COLONY BAZAARS

The Chinese Relief Committee's bazaar held in the Chinese Y.W.C.A. on Saturday and Sunday was well attended. A great deal of work and effort under the guidance and patronage of Madame Sun Yat-sen was expended by the many organizations in Hongkong and mainly by the Hongkong Women's Soldiers' Relief Association to make the sale a success. The attendance was indeed a compliment to their efforts.

Art work and crafts, ivory pieces, Chinaware, a large assortment of handwork, beautiful objects in jade and many unusual and interesting curios were on sale.

The proceeds will be for the Relief Committee for distribution.

SCHOOL BAZAAR

The public who attended the St. Stephen's Girls' School bazaar on Saturday appeared to enjoy the various offerings. Many of them found lovely pieces of merchandise, needlework, books, bedroom accessories, children's garments and delicious foods and candies were excellent suggestions for Christmas gifts.

The games of chance were very popular among the young buyers, the prizes being useful and attractive.

THURSDAY, 8.30 A.M. the crew of the Philippine Clipper were greeted with the fact that Alameda will see them before December 25.

Mr. William Bond, Operation manager of C.N.A.C., was also happy to be arriving home in the States and spending the holidays with Mrs. Bond.

Headed for Guam was Mr. E. B. Buxton. This is the Pan-American's meteorologist's base at present. He came flying to Hongkong on an overnight stay for an air conference.

Down from Shanghai, on a short visit here, and on to Manila went Mr. James Winning, Far Eastern Representative of the Gunard White Star Line. Next month he will be saying hello again on his way back to his office in the North.

Empress of Russia

CAPTAIN J. F. PATRICK reported stormy weather over the north Pacific when he brought the Empress into port on Friday morning. That may be the case but this Grand Captain was as jovial as of yore.

Returning from a splendid vacation in London, via Canada, was Mr. S. Longfield, of the Hongkong Electric Company. Smiling and happy he was glad to be back in Hongkong after a delightful trip.

Mr. and Mrs. G. M. Lynott, of the American Bank Note Co., came from Shanghai. Mrs. Lynott, charming and smartly attired in a black ensemble, was quite gay and pleased to be spending Christmas in the Colony.

The Standard Vacuum Oil Co.'s people certainly do keep moving. Mr. C. E. Harris arrived on the Empress of Russia. Maybe he will be pinch-hitting for a vacationer of that groom-to-be in said organization. He was in such a hurry to see Hongkong that we could not catch up with him for those questions.

President Coolidge

SEVEN-THIRTY A.M. on Saturday this American President Line ship came back from a visit to Manila.

Mr. J. E. Perkins, of Shanghai and the Paramount Pictures Inc. who "Clipped" down to the south on a business trip returned here. Transshipping the journeys to the North reaching there for Christmas.

Business took Mr. J. Crookdake and Mr. J. N. Sweeney of the Hongkong and Whampoa Dock Corporation down to Manila. Family and friends were happy to welcome them again and the trustiness is fine!

Another resident who came in the Coolidge was Mr. David L. Lyle, of Butterfield and Swire. Either he was sound asleep or had made full speed to Hongkong. His door was locked, no one answered, but the Purser said he had arrived in person.

Though her husband came up via the Clipper, Mrs. Royal Leonard, of C.N.A.C., who has been holidaying in the South took to the water for her return journey. The meeting of these two residents appeared they had not seen each other for months. Now back to the work of flying goes the head of the family and everyone had a grand time in Manila.

The President Coolidge left on Sunday evening. More about that later.

Imperial Airways

FRIDAY MORNING when all that Christmas mail travelled down to Bangkok in the three planes, Mr. R. A. Starling, of the Hongkong Electric Co., Ltd., was the single passenger. Transshipping to K.L.M. this gentleman flies to London where he will have snow and cold winds with his Christmas.

A plane of this Company is due at Kai Tak this afternoon with Season messages and letters from Australia and England.

RIFLE SHOOTING

E.A. Templeton Obtains First 100 Of Season: Possible At 500 Yards Colony Team For Far East Trophy Match

A large attendance at the Sunday Shoot witnessed some high scoring. Conditions were good except for a slight haze at 600 yards which however cleared later.

E. A. Templeton, of the 4th Submarine Flotilla, had the distinction of obtaining the first hundred of the season scoring 102 out of a possible 105, a very fine performance indeed which included a possible at 500 yards, two other possibilities being registered by E.R.A. Keller of the 4th S.M. Flotilla and Sgt. A. C. Chan of the H.K. Police Reserve.

The S.R. (a) Nett Spoon was won by P.O. H. Richards with 89 and it is pleasant to note a distinct improvement in the other scores with the S.R. (a).

No fewer than 10 teams entered for the Affiliated Club Match which was won by the Naval Range Staff at Stonecutters with 540 followed by the 4th S.M. Flotilla 10 behind.

The Revolver Aggregate was won by Sgt. Tansley of the H. K. Police Reserve.

Captain Newton, the indefatigable Hon. Secretary of Clay-bird shooting came in from camp to superintend the competitions, the open being won by Surg. Lt. MacDonald, H. M. S. Falmouth.

HIGHER POSTS IN DEFENCE

British Women Want To Share

London, Dec. 18. British women civil servants want to share higher posts in the defence departments. At present they are excluded from the administrative and executive classes.

"Unwillingness to employ women in these categories is understood to rest upon the idea that since women do not form part of the fighting forces they should not be entrusted with any share of responsibility for the control or equipment of those forces," states the official organ of the National Association of Women Civil Servants which proceeds: "The civil air guard was opened to women on plans made to re-create women's auxiliary forces on modern lines."

The idea that the defence departments are concerned exclusively with men is thus refuted.—Reuter.

GERMAN TRADE DECLINE

Berlin, Dec. 18. The foreign trade of Greater Germany for November shows an adverse balance of 69,000,000 marks. Imports at 522,000,000 marks and exports at 453 million marks represent falls of 4,000,000 and 37,000,000 marks respectively compared with October.

For the first 11 months of the year, the adverse balance totals 205,000,000 marks. Imports during the period amounted to 4,958,000,000 marks and exports 4,753,000,000 marks.—Reuter.

CANTON-MACAO SERVICE

Canton, Dec. 18. It is learned that the Japanese are commencing regular passenger service between Canton and Macao on December 20, carrying only Chinese and Japanese passengers. The five-barred Chinese flag made its first appearance on buildings to-day since the revolution.—Reuter.

UKRAINIAN NATIONALIST AGITATION

Warsaw, Dec. 18. Poland to-day made formal diplomatic representations to Prague drawing attention to the effect which continued activity of certain propaganda organisations in Czechoslovakia soil must have on Polish-Czech relations.

Official announcement of the representations is vague but presumably the complaint relates to Ukrainian Nationalist agitation alleged to have formed in Ruthenia.

Doubtless, it is hoped here that this indirect hint will convey to Germany that her activities in Ruthenia is receiving watchful attention in Warsaw.

SOUTH CHINA "B" LUCKY TO DRAW

Making a somewhat belated rally during the closing minutes of play South China "B" were very lucky to share four goals with Kwong Wah in a senior division football League encounter played on the Kowloon Football Club ground yesterday.

Yeung Shui-yick was solely responsible for putting South China on equal terms by his two goals. Kwong Wah was strong in defence and the forwards worked well together, with the exception of the left wing Lee Kwok-kee in goal brought off some brilliant saves. Chin Chi-pun was the pick of the forwards.

For South China "B" Lau Mau played well at back. Play opened with end to end play, Yeung sent a fine drive towards Lee which the latter went full length to save.

Chin Chi-pun on the other end tested Tam with a easy shot, Tam fumbled and almost resulted in a goal.

Wan Shui-ying and Chin Chi-pun netted for Kwong Wah.

SAFFERS LOSE

In their second division encounter with Royal Engineers, Kwong Wah won by five goals to nil. Chow Wing-thon (2), Lok Wing-kum, Henry Young and Lau Fook-chen netted the goals.

DR. SCHACHT'S DISCUSSIONS IN LONDON

London, Dec. 18. Dr. Schacht, President of the German Reichsbank, returned to Germany after spending nearly a week in London discussing, according to semi-official circles, "matters which interest him" with a number of financial and economic experts.

German circles reiterate that the visit was purely for the purpose of making contacts, and no cut and dried plans were advanced on any subject.

Dr. Schacht saw Lord Winterton, chairman of the Inter-Governmental Committee set up after the Evian Conference, and also Mr. Rublee, American director of the organisation.

NO PLANS PROPOSED

It is particularly denied that any plan was advanced under which Britain would finance the immigration of Jews from Germany.

Nothing has been divulged regarding Dr. Schacht's talks with Mr. Montagu Norman, Governor of the Bank of England, but it is known that Germany was concerned regarding the statement in Commons made by Mr. R. S. Hudson, Secretary for Overseas Trade, that Britain was prepared, if necessary, to use the same weapons as Germany in economic matters.

The great need of the Reich is extension of her export trade, and in the London talks Dr. Schacht endeavoured to secure British co-operation for increasing German exports to Britain.

Semi-official circles in London state that no explicit proposals were made by Dr. Schacht, but there was a general discussion regarding matters of common economic interest to both countries.—Reuter.

ITALO-GERMAN TRADE TALKS

Berlin, Dec. 18. Trade negotiations concerning goods and payments between Germany and Italy are taking place in Rome. It is explained that further trade talks are required as the result of the Austrian Anschluss.—Reuter.

POLISH-LITHUANIAN AGREEMENT

Warsaw, Dec. 18. A Polish-Lithuanian commercial agreement has been concluded covering exchange of goods to the value of £500,000.—Reuter.

FACTORIES MOVE TO CHUNGKING

After the fall of the Wuhan cities, altogether 124 factories have moved to Chungking. These include 49 machinery plants, four soap factories, three battery factories, three galvanising factories, seven charcoal factories, 29 printing plants, 12 rice factories, three tobacco factories and 14 electrical supplies factories.

AID FOR COTTON INDUSTRY

London, Dec. 17. A "self-help scheme" by which it is proposed to reorganise Lancashire's cotton industry and to strengthen its competitive power overseas, has been launched by the joint committee of cotton trade organisations meeting at Manchester.—Reuter.

BULLION SHIPMENT

London, Dec. 18. The P. & O. liner Ranchi carries £8200 of silver for Jeddah.—Reuter.

STOCK MARKET STEADY

Weekly Review Of Ice House Street

BY C. A. L. RECKETT
Secretary—Hongkong Share-brokers' Association

December 17. The market has been very steady during the week. Prices have shown an upward tendency although gains have been small, any shares offering being readily absorbed. Later in the week shares were more difficult to obtain and buyers were forced to raise their bids.

Lands, Trams and Docks came in for most inquiry. Lands changed hands at \$35; with further buyers at this figure. Trams remained steady at \$17.10, and Docks (Old) at \$18. China Lights, on the other hand, reacted unfavourably to the announcement of an increase in capital and came to business down to \$10.10 for the old shares. Gold mining stocks have been steady, although there has been very little change in price levels. United Paracale, however, were exceptional and showed a gain of 11 cts, closing at 59 cts after deduction of dividend. Antamoks improved 2 cts to 50 cts. Market closed steady.

AUSTRALIAN LOAN OVER SUBSCRIBED

Canberra, Dec. 17. It is announced that the Australian £71,700,000 Conversion Loan has been fully subscribed. Except for £4,000,000 of the new money required for defence works the Loan was for the conversion of maturing internal loans. Issued at par the Loan carries an interest rate of £3.17.6 per annum, and is redeemable in 1954, though the Treasury can repay in 1952.—Reuter.

REICHSBANK RETURNS

Berlin, Dec. 18. Reichsbank returns issued Saturday showed gold stock unchanged at 70.8, but foreign exchange increased by 0.5 to 6.1, making a total increase in note cover of 0.5 to 76.9 million Reichsmarks. Note circulation increased by 31.8 to 7681.3 million Reichsmarks. Total credit issued as measured by bills, cheques, investment and advances, increased by 2.3 to 8147.7 million marks. Total amount of legal tender in circulation is returned at 9753, as against 6952 at the same date a year ago and 5454 million Reichsmarks at the same date in 1933.—Transocean.

U.S. ECONOMIC PROPOSALS

Lima, Dec. 17. The economic proposals which the United States is placing before the Pan-American Conference were published yesterday. Comprising eight chapters they do not deal specially with the lowering of customs barriers, as the principal that each country should work for greater freedom in exchanges has already been accepted.—Reuter.

RUPEE RATE WILL BE MAINTAINED

New Delhi, Dec. 17. A communique states that the Government of India has no intention of allowing the present exchange value of the rupee to be lowered.—Reuter.

AMENDMENT TO EMPIRE PREFERENCE ORDINANCE

The Draft of a Bill intitled an Ordinance to amend further the law relating to Empire Preference, is published in the "Government Gazette".

This Ordinance may be cited as the Empire Preference (No. 2) Amendment Ordinance, 1938. Sub-section (1) of section 3 of the Empire Preference Ordinance, 1932, as amended by the Public Officers (Changes of Style) Ordinance, 1937, is amended further by the substitution of the words "fifteen per cent." for the words "twenty per cent."

OBJECTS AND REASONS

By section 3 (1) of Ordinance No. 32 of 1932, as amended by Ordinance No. 25 of 1937, it is provided that there shall be charged, levied and paid, in respect of the first registration in the Colony of every motor vehicle which, in the opinion of the Commissioner of Police, is not an Empire product, a special licence fee of an amount equal to twenty per cent. of the value of such vehicle, including cost, freight and insurance, on arrival in the Colony, after deduction of the value of the tyres and of any spare wheels or other spare parts.

This special licence fee is, in addition to the ordinary licence fee payable under any Ordinance or regulations relating to the licensing of vehicles.

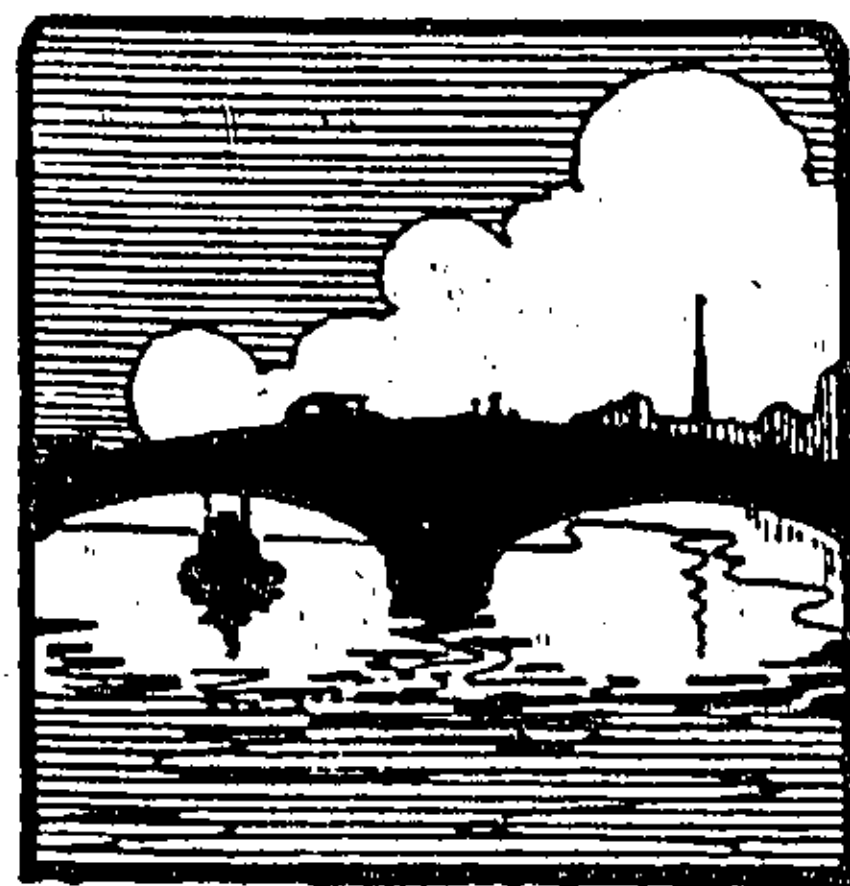

The object of this Bill is to reduce the percentage charge of the special licence fee from twenty to fifteen and so to implement the Trade Agreement between the United States and the United Kingdom, which was signed at Washington on the 17th November, 1938, and which applies to the Colony.

BANKS REOPEN IN SWATOW

With the improvement of the situation here, the Swatow branch of the Bank of China, which was moved to Hongkong following the Japanese air raids in October, has resumed business here. The Central Bank and the Bank of Communications will also resume operations in the near future, it is learned.—Central News.

Saturday's Cricket

INDIANS TURN TABLES ON CLUB DE RECREIO

Donald Anderson Back To Form For Kowloon C.C.

By TAC

Saturday's cricket produced a few games of more than average interest, the best match being probably that between the Indian Recreation Club, co-holders of the Senior Shield, and Club de Recreio, played at Sookunpoo.

Following the defeat the Indians had sustained at the hands of the Portuguese side at the beginning of the season, it had been anticipated in some quarters that the return friendly match would peter out into "a draw in semi-darkness."

This did look likely at one time, but A.R. Minu, who bowled very well throughout, took the last two wickets in the last over of the day to give his side the victory.

The I.R.C. started very badly and had four wickets down cheaply, but A.H. Madar, going in a little later than usual, batted excellently, took the principal part in a fifth-wicket stand of over 50 runs, and laid the foundation for a satisfactory score.

Donald Anderson, acting Kowloon C.C. skipper, went in to bat in his rightful and proper place of No. 1 against Civil Service, and came off at once with a score of 87, which included 15 boundaries. For the C.S. "Dicky" Richardson carried his bat for 55, the match being left drawn.

SCORES

Hongkong Cricket Club drew with the Army at Chater Road: Club 165 for nine wickets; Army 125 for 5 (Capt. Godby 32, Lt. Weedon 24).

Craiggower beat Royal Navy by one wicket at the Valley. Navy 105 (Brownrigg 26, Whitmarsh 20, F. Zimmerman 4 for 20; C.C.C. 116, W. Rapley 41, Paxton 4 for 42, Fifth 4 for 19).

Indians beat Recreio by 51 runs at Sookunpoo: I.R.C. 154 (A.H. Madar 31, M. el Arculli 26 not out, K.M. Rumjahn 13), Recreio 103 (Minu 7 for 50, M. el Arculli 3 for 29).

Kowloon C.C. drew with Civil Service C.C.: Kowloon 179 for 7 dec. (D. Anderson 87, E. F. Fincher 83), Civil Service 120 for 7 (J. E. Richardson 55 not out).

JUNIOR GAMES

Kowloon C.C. beat Civil Service by 108 runs: K.C.C. 188 for 4 dec. (W.L. McKenzie 71 not out, S.A. Gray 64, C.S. 80 J.S. Luke 8 for 19).

Craiggower drew with Royal Navy: Navy 108 for 8 dec. (Page 36 not out), C.C.C. 90 for 9.

Recreio drew with the Indians: Recreio 119 (H.M. Xavier 45 not out, R. Soares 35, F.A. Curreen 5 for 16), I.R.C. 86 for 9 (H. Barma 32, A.K. Minu 38).

At Pokfulam, Hongkong University and Central British School played a drawn match. T. Sutter's 79 out of 174 included a five and 10 boundaries.

C.B.S.: 174 (T. Sutter 79, G. Stone 33, N. Smith 15, R. Singh 5 for 61, K. L. Ng 3 for 53). University: 118 for 7 (K. E. Tam 52, N. Smith 3 for 48, F. Street 2 for 3).

At Happy Valley, Diocesan Boys' School beat Police R.C. by one wicket.

NAVY'S EASY RUGGER WIN

Army Gets A "Blob"

NAVY OVERWHELMED Army in the second round of the Triangular Tournament at Sookunpoo on Saturday by 32 points to nil. This is the second defeat Army has suffered at the hands of Navy in the tournament.

Navy are now at the head of the table with a hundred percent record.

Navy were strong in every department, particularly in the three quarter line. Their pack was the better of the two and showed some fine heeling which enabled the halves to get the ball on more occasions than the Army side.

Sketton and Askwith played well throughout the game. Hunt at back was reliable, and it seems that he has given up soccer for rugby.

Unlucky on the Army side was, always dangerous when in possession, while Crawford and Berry in the pack played well.

AN EARLY GOAL

Askwith opened scoring in the first five minute of play. Lewis scored twice and Ogle once before half time. Elliott converted three kicks, bringing the score at half time to 18 points to nil in favour of Navy.

MORE SCORING

At the resumption Askwith scored again to increased the lead. Lewis, Askwith and Walters each scored a try, with Elliott kicking. The final score being 32 points to nil.
